Dangerous Goods Replica goods	Branded goods (Replica goods)	R21,799.99 / CBM	Liquids are classified as dangerous goods because they often possess one or more of the following hazardous characteristics:
	Branded Liquids (E. g. Branded perfumes)		Flammability; Toxicity, Corrosivity (Strong acids), Oxidizing properties (can release oxygen, promoting the rapid combustion of other materials), Reactivity sensitivity (Organic peroxides), Static Electricity and Leakage Risks (they can generate static electricity during movement, sloshing, or impact); Therefore, liquid substances transported by sea must be properly classified, packaged, labeled, and segregated as dangerous goods to prevent fires, poisoning, corrosion, or environmental pollution.
	Non Branded liquids (E. g. unbranded perfumes)	R15,799.99 / CBM	
Special Goods	Pure Batteries	R11,899.99 /CBM	Power banks, batteries, uninterruptible power supplies, lithium batteries, button batteries, electric vehicles, electric bicycles, scooters, balance cars, electric bicycle chargers, etc., (complete battery documentation required for separate customs declaration)
Other Categories	Other Unlisted Items	/	Please consult for items not listed above. Textile clothing is strictly inspected in South Africa and requires English washing labels, component labels, and "Made in China" labels.

**Notes:**

- 1. Textile products must be equipped with sewn-in care labels, fabric composition labels, and **'Made in China'** labels. These three labels are required for all standard-compliant, qualified products.
  - 2. Dimension restrictions for shipping:
    - ① If a single piece of cargo weighs more than 70 kg or has a single side longer than 180 cm, an oversized cargo fee of R700 per shipment will be charged (maximum 10 pieces per shipment; an additional R150 per piece will be charged for any excess). A 9 cm wooden base (skid) is required.
    - ② If a single piece of cargo weighs more than 150 kg or has a single side longer than 200 cm, an oversized cargo fee of R1,250.99 per shipment will be charged (maximum 10 pieces per shipment; an additional R165 per piece will be charged for any excess). A 9 cm wooden base (skid) is required.
- For cargo exceeding 3 meters in length or 1000 kg in weight, please consult us separately. Additional handling charges such as forklift or crane fees may apply, and will be billed based on actual costs.
